**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic due to its superior customer service and being a local provider who is responsive to local needs. We need more competition to keep the costs of broadband from growing out of control.

Last year, Sonic finally delivered fiber into my neighborhood, which is much faster and reliable than anything previously. As a researcher with a world class university, I often work from home at night and during the weekends. The fiber service has enabled me save time from travel to and from work and devote more time to actual productive work.
